

Badgery

This package defines some colourful badges and boxes around text that represent user interface actions such as a click or following a menu.

Badges

```
#badge-gray("Gray badge"),  
#badge-red("Red badge"),  
#badge-yellow("Yellow badge"),  
#badge-green("Green badge"),  
#badge-blue("Blue badge"),  
#badge-purple("Purple badge")
```

Gray badge

Red badge

Yellow badge

Green badge

Blue badge

Purple badge

User interface actions

This is a user interface action (ie. a click):

```
#ui-action("Click X")
```

Click X

This is an action to follow a user interface menu (2 steps):

```
#menu(("File", "New File..."))
```

File > New File...

This is a menu action with multiple steps:

```
#menu(("Menu", "Sub-menu", "Sub-sub menu", "Action"))
```

Menu > Sub-menu > Sub-sub menu > Action
